Rites of Passage – ARIYA Escort Overview

ABOUT RITES OF PASSAGE - ARIYA

The Rites of Passage/ARIYA Program is based upon the Nguzo Saba, the seven principles of Kwanzaa and is sponsored by the St. Louis Alumnae Chapter of Delta Sigma Theta Sorority, Inc. Its purpose is to provide character development and leadership training for young African-American Women, encourage them to pursue college or vocational training after high school graduation and empower them to take ownership of their futures by providing an opportunity for them to raise funds for their education.

After completing six months of training, the Kwanzishas (young women participants) participate in the Rites of Passage Ceremony. In this ceremony, they are granted permission by their families and the community to transition to the next level of social and educational development.

The ARIYA, a Swahili word meaning celebration, is the program’s culminating activity and public celebration where the Kwanzishas are presented to the community.

PURPOSE AND ROLE OF ESCORTS

- △ The role of an Escort is vital to the success of the Ariya celebration. In this Afrocentric-based program, the young men represent the warriors and protectors (Askari Hodari) of the young women who are being presented to the community.
